“ *I would like to extend my deepest condolences to Paul's family. I knew Paul years ago, and went to school with him for a short time. Even though I have not seen him in years, it is still a sad loss. He was always funny and good spirited. I will keep your family in my prayers. May God bless his entire family*

“ Mr. and Mrs. Wright,  
I am very sorry to hear of your loss. I went to school with Paul in Dexter. I don't know if you all remember me, but my parents live down on Darby Rd. I am very happy to say that it was a pleasure to have known Paul. When we were in school, Paul was very good at making everyone laugh and have a good time. I try to keep in touch with what is going on in the Valley area by online newspaper. I was shocked to hear of what happened. I would have really liked to have been there to show my support for you all. I just live so far away and do not get to come back home as often as possible. I will keep you all in my prayers. Take Care and God Bless you all. Rest In Peace Paul our beloved friend, father and brother.

“ Our heart goes out to Jennie and Pops you loved him and tried to help him so much. He tried so hard to pull his life together, and loved you both. His children can always know that he really loved each and every one, and he leaves behind many people who recognized his struggles, but also saw he was full of love and caring and wanted the best for his children. He can now be at rest.
