“ *I love this picture! It captured Buddy's personality to a T. I will always remember him with a big smile on his face & love in his eyes. I will carry the many wonderful memories of our childhood in my heart forever. I do regret not making more time to visit & fish with him & you. Every time we did get to visit I would leave with my heart so full and swear to myself that I was going to visit more often. Regretfully, I seem to have let life get in the way. Please remember Darleen, you & Buddy will always have a special place in my heart. If you ever get over our way, we would love to see you. You were a wonderful partner for my cousin. Much love. “ *My heart is broken for Darleen and family in the loss of Buddy. He was my cousin, and I have so many memories from all our years growing up. Even though I lived in South Texas, my Christmases and summers were spent in Roswell with Buddy, Aaron and Chris. Those days will always be fond memories for me. “ *I have so many memories of Buddy. He had the hardest laugh and wasn't afraid to share it with whomever came along. He was my favorite boss I ever had and I will never forget him as a friend. A good memory to carry along is when the last time I saw him, I gave him a big hug. What a good man he was...Love Nedra*

“ Dear Darlene and family,

Having known this wonderful person for my lifetime, I want you to know how much Buddy was loved by those of us who were merely "friends" with him. He always made sure we were safe - as the big brother of my dearest and beloved friend, Chris - and he took care of us little girls. He always took time to listen. Teaching us to dance, wash a whitewall tire properly, or how to behave around boys... so many great memories that come to mind right now... Buddy's smile was one of the most genuine I have ever seen.

He will be sorely missed as he leaves this world and enters the church triumphant in heaven.

Our sincerest thoughts and prayers are with all of you.

Love to all,

Dixie and Larry Loy

p.s. please let us know if there is anything we can do.

“ I first met Buddy in the early seventies through Remco. He was a very good person and always willing to help anyone. I never once heard anyone saying bad remarks about him or his shop. He will be greatly missed by many.

God bless his family and may the good Lord be with you all through these hard times.

Rest in peace Buddy.

Ps,

I never knew his real name was Paul.
