“ I will forever remember Mr Paul Herrera, he was a good man and was kind of like a second dad for me growing up. And Mrs. Toni Herrera like a second mom, me & my sister ate dinner with the Herrera family growing up. I am most grateful for all those memories. Thank you from the bottom of my heart.

Cenida "Vochie" Pasillas - December 15, 2020 at 11:29 AM

PF

*Thank you Vochie. Just knowing my dad was loved by so many, is comforting to our family. That is what my Parents did, feed everyone. I will never forget one Thanksgiving day when my Mom sent Dad to Allsup's to buy waters and cokes. My dad saw a family from out of state that had car problems. Of course my dad invites them to come get food. My dad was known for doing things like that. Thanks again and please continue to pray for our family.*
