Tribute Wall

“ *The hole in not only my heart but in my soul, from your passing, can never come close to being filled. I don't know when I lost my ability to talk to you but I will forever regret that I didn't try harder. Paul, you were my brother and you had an incredible influence on my view of the world. For better and for worse. But in no way could I ever not love you. I hope that there is a God. I know He will have given your soul the peace and comfort it couldn't find here on Earth. I love you, Paul. ~ Your “baby” twin brother Gary.*

Just coming to bed. I'm laying here thinking of you, Paul. You are my brother and I was blessed to have had you as my twin. Goodnight. I love you.

“ *I was very sad to hear of Paul's passing. He spent many an hour at my folks house - back in the day. He was a great guy. My thoughts and prayers are with you.*

Paul and Tommy on one of our many camping trips. I only wish that Paul and I had been closer the last six years.

“ *My condolences to Mr. Parks family; he was a friend to Mark Waltmire who had Mr. Parks help him with a lot of my maintenance problems. He was a quiet man who was talented in anything Mr. Waltmire had him address. God bless his soul.*
