Paula's tribute was lovingly written in her honor by her family.

God Saw You

God saw you were getting tired
and a cure was not to be,

So He put His arms around you
and whispered, "Come with Me."

With tearful eyes we watched you

And saw you pass away,

And though we love you dearly,
we could not make you stay.

A golden heart stopped beating,
hard working hands were put to rest.

God broke our hearts to prove to us...

He only takes the best.

“ *I met Paula while working at Peppers. She was training me and while chatting about our families.... (she talked and bragged about her beautiful family she was very proud!) When she told me that my granny (Maureen) and her went to school together and we're neighbors in grade school! I couldn't help but smile when they got reunited and we're gossiping again 50yrs later. Paula was a very hard working woman I learned a lot from her. She will be truly missed and never forgotten. R.I.P.... MS. PAULA I LOVE YOU!!! GIVE MY GRANNY HUGS FOR ME.... ROCHELLE GRAVELINE*
