“ *I did not know Pedro for very long. I met him just a few days before the lord took him. I do know that my impression of him was that he was very aware of his appearance, and wanted to always show his best side. He made me laugh so much, I was sore. He had a humor that was second to none. I know that I am not a member of the inner circle, but the short time that I did spend with him was funny, and easy. I know that he will be missed by anyone who knew him. I send out my heart to his family, and know that they will one day be with him. In case I do not make the cut, tell him Robin said hi.*

“ I do not know the family of Pedro, and to be honest, I barely knew him, but the short time that I did know him made an impression on me. I noticed that Pedro was very aware of how he looked, and made sure he was groomed. He was very friendly, and told me the funniest jokes. He also showed me a side of himself that was caring and empathic. He seemed to care about others, and wanted to be there to help if he could. I did not know him well, but I wish I could have. I send my heart to his family, and know that one day, we will see him again.

“ *Hermanos Burrola, la perdida de un ser amado es inconsolable, pero sabemos que Dios esta con nosotros y nos da la fuerza para sobrepasar nuestra perdida.*

El Senor les de la fuerza y quiero que sepa que los amamos mucho y si hay necesidad de cualquier cosa, aqui nos tiene para servirles.

Dios les bendiga!!
