“ Pedro Loya was for some years someone I considered my uncle. Tho things didnt work out for the best with him and my Tia Melissa he was still my uncle. He was always funny always made me laugh even on my worst days. He gave me the name "blimpy" because of how big I got with the pregnancy of my first daughter and from then on always called me that. I want to give his family my condolences. He will not be forgotten in anyway. Gonna miss u Petey Wheaty...
