“ I would like to send my prayers and condolences to my mother and father Lupe and Mary Cruz and to all my aunts and uncles for their loss. My grandfather was such a sweet, loving and hard working man. My fondest memory of him was when my entire family went camping in the mountains of New Mexico. That was such a special time because we were all together as a family. I wish we had more of that. I know Grandpa is in a better place and is in peace. God Bless him and my family. I love you all.
