April 27, 1943 - May 16, 2026

Peggy Joyce Patino, 83, passed away on Saturday, May 16, 2026, in Roswell, New Mexico. She was born on April 27, 1943, in Hobert, Oklahoma, to Florence and Jerrel Latham.

Peggy was known for her beautiful smile and her sweet, gentle nature. She had a gift for making people feel cared for, often through the meals she lovingly prepared. Feeding others was one of her greatest joys, and she was truly an exceptional cook. Peggy also loved the simple comforts of life — a warm cup of coffee, the company of her beloved cats, and the creativity she expressed through painting.

Throughout her career, Peggy dedicated herself to caring for others. She was a certified LVN, CNA, and O.R. Sterile Processing Tech, serving in multiple roles that reflected her compassion, skill, and commitment to helping those in need.

Peggy will be remembered for her kindness, her warmth, and the love she shared so freely with those around her.

Those left to eternally treasure and cherish Peggy's memory are her husband, Daniel Patino; children: Debbie Vezilj, Geri Maurer, Julie Carpenter; seven grandchildren and step-grandchildren; five great-grandchildren; parents: Florence and Jerrel Latham; sister, Darlene Gray; one niece and one nephew; close friends: Pat Schmidt, Diane Marshall, Rose Dickerson; dogs: Peki and

Chula; cats: Sarah, Pebbles, Peppy, and Silly Willy.

Peggy's family wants to say a special thank you to Spring River Nursing Home staff; they did an excellent job with taking care of Peggy.

Peggy's tribute was lovingly written by her family.

“ How do I fit 55 years into a small paragraph? I will try to sum up the most important memories that I have.

My Mom treated me with love and kindness.

She gave me the strength to stand up for myself. She was a cautious person and taught

me to follow my instincts. I was able to talk to her about anything and even was able to tell her some raunchy jokes!

She had the brightest smile and contagious laughter! I would make her laugh so hard, she would have to run to the bathroom! Haha!

My Mom loved animals. It was one of her passions.

She was a beautiful painter and even taught me a few tricks with painting techniques. Arts and Crafts was another passion of hers.

She's made some beautiful things too!

I sort of followed in her footsteps and worked at the hospital she did.

We worked in different departments but would always find time to have lunch together. Our lunchtime would be filled with happiness and laughter.

I am so grateful that I had her for a Mother. Her legacy she left me was her kindness, love, and strength.

“Peggy was my mother-in-law. I am married to her youngest daughter, Geri. She welcomed me into the family with open arms. Peggy always treated me more as a son than a son-in-law. To me, she was my second mom. Mom loved to take care of everyone. She always made sure you had plenty to eat and that you were comfortable. She always put everyone's needs before her own. She was strong, kind, and loving. One of my fondest memories of mom is sharing sauerkraut hotdogs with her. I was the only one that would eat them with her, so every time we visited her and dad, she would make sure her and I had some. Mom will be dearly missed. We rest easy in the fact that we will see her again some day. I look forward to having a sauerkraut hotdog with her in heaven.
