It saddened my heart to learn of the passing of my mother's younger brother. If you ever met him you could not forget him. We will miss his humor, intellect, and good-looking swag. He loved his family and especially the family reunions. I am so grateful that Stephanie knew how important it was to him to attend the family reunions and stepped up to accompany him when she felt he should not travel alone. He was good looking and he reminded you of that every chance he got. RIP my dear Uncle Pernell aka Nut.

I will always remember visiting Uncle Pernell several years ago. We drove all over the state visiting historic sites; White Sands, National Monument, Carlsbad's National park, Bottomless Lakes State Park were among our travels. He also invited me to attend church with him. And we visited the local museum. We had a terrific time. Love and Peace Uncle Pernell. You will be missed.
