A dad is a person who's loving and kind, And often he knows What you have on your mind. He's someone who listens, suggests, and defends -- A dad can be one of your very best friends. He's proud of your triumphs, but when things go wrong, A dad can be patient and helpful and strong. In all that you do, a dad's love plays a part-- There's always a place for him deep in your heart-- And each year that passes you're even more glad, More grateful and proud just to call him your dad.

“ *Dear Grandpa,*

I miss you so much it's very lonely, and different without you here i wish you didnt have to leave yet. The hollidays are not going to be the same without you here. I think about you everyday. The hardes't thing i had to do was let you go and say goodbye, but the most hardes't part was when i saw you turn and look at grandma and said "I loved you all my life", and it broke my heart. My birthday is never going to be the same. Grandma misses and loves you so much, and wants to see you. I know I have to let go and wanted to tell you we love and miss you so much i know your watching over us....

“Dad, I just wanted to let you know I think of You constantly everyday especially at night when it's so quiet, that is when I'm most Lonely without You. I Love You&Miss You very much I feel has though I can't go on living anymore without You Dad! Why did You have to Leave Us? I will "never" understand that question to god...I keep asking myself why? Why?, Why? we needed You down here on Earth not Heaven. I hope that You are looking down from Heaven watching us cause I know we're watching You up Above, You are our Special Angel dad. We went to go order You a Beautiful headstone for your grave site yesterday it was the hardest thing to do, we cried so much that day& still do ; It will take 6 to 8 weeks to get here Dad. I'm going to stop right here& Let you go but before I do I want to "Thank You very Much" for raising me to be the Adult I am today. Bye!

“It's been another lonely day without You Grandpa& I still can't believe that you're gone.
I've had a rough day, . . . But the only thing that makes& made me get through my Rough& Bad days is thinking about You Grandpa. Even though You're not here with us Physically,but Mentally You are& I can just feel& know that You haven't left us Grandpa. Each day I'm trying to get through this but how can I when it's hard? No one said it was going be easy. I'm just trying to stay strong for You Grandpa because I know for a Fact You want me to be Strong& Hang in there& that's what I'm trying& willing to do.
I Love& Miss You Grandpa.

“ Hey Grandpa, . . . It's only been 5 days since you've been gone but these 5 days have been so hard, sad, lonely, & so Empty without You! You had to Leave before Grandma's Birthday, my Sister's Birthday which You were looking forward to, Father's day & Yours & Grandma's 43 Year Anniversary' . . . You left before something special was coming up.

I'm not Upset with God but yet I'm so Hurt with him because of the Fact he took You away from us Grandpa. You said You weren't going to leave us, You told us you weren't going anywhere . . . But You did.

But I'm glad you're no longer Suffering anymore, . . . You didn't need to Suffer anymore, that's why I'm Glad & thankful that god took You because of the Fact that he took away your pain but yet he caused us to Hurt & cause Pain for us by taking You away from us! Grandpa I'll miss all those times I've spent with You, all those times I swept your kitchen floor for you, I'll specially miss having You around. Our Memories our Forever' Imprinted in my Heart Grandpa. You're missed Dearly. We Love & Miss You Each & Every single day so Much! Happy Father's Day Grandpa, I Love You
