“ *Pete was a dear friend for over 30 years. We always enjoyed his twinkling eyes, crooked grin and his wonderful humor and kind words. I among so many others would have done absolutely anything for Pete. He taught our family so many important things in life . . . most of all to enjoy it. I did not know those of you who are left behind, but I need and want you to know how important he was so many and what a great man he was. We were so blessed to have been able to call him a dear friend.*

“Pete was a dear friend and business man of ours for a lot of years. We knew him when he had the donut shop on east 2nd and then did our tire business with him at Lykens Tire. He always had a smile on his face and was a busy man.

Our sympathy to the children and other family members during this difficult time.

Sincerely, Tim and Cheryl Wafful

“I always liked Pete, he was fun and we always had a great time. A nice guy, really. He always took such good care of my needs at the shop, and looked after my daughter too even if he didn't always let me know what she had done! Our grand adventure together was skydiving! And what a blast that was, never could get my husband to go again though. But I appreciated Pete for challenging (or should I say daring) us to do it! My best to the family, such a hard time for all.
