“ I remember Phillip when he was a young father to Robert and Eloisa. I'd never seen such a devoted father. The children were always with him--he was their primary caregiver, cooking, cleaning and taking care of all their needs. “ I will never forget Phillip and his love of life and laughter, which I will greatly miss!! The last time I saw him, was at the post office in his uniform, and I remember thinking how grown up and distinguished he looked, nothing like the skinny, shy guy I knew in school! Phillip you have a special place in my heart! My love and prayers go out to all!

“ Phillip our time growing up in Socorro was met with great laughs, some stitch busters. The hours we spent on your cb radio chatting with the world at large. Your friendship was invaluable to me, I shall cherish the memories until we meet again. RIP Phillip the world will be a littler dimmer with your passing. Prayers for your family and friends at this time of mourning. Ride easy friend.
