“ *To the Ruiz family,
I'm sorry to hear about the loss of your mom, grandma, and great-grandma. When I saw her name it immediately brought back so many memories. I will never forget that she always had to have her hair 'just right' before she went anywhere in that little car of hers - always driving around trying to find a sale somewhere. She was a beautiful woman who is now with the love of her life. Please understand that your family is always in my thoughts and prayers.
Sincerely, Donicio Madrid*
