“ *Condolences to the Archuleta family. Priscilla was a great lady. I loved her very much and will never forget partying and having fish fries at the Archies which were some of the very best tomes in my life. RIP Priscilla*

“ *You are now free Priscilla and won't be suffering any more. May the peace of God hold you in his hands and lead you to his side where you will now rest. You are now with your family and your mom and dad and all other relatives. I will pray for you.*
