“ *To the Whole Family:
I am so sorry for your lose. Priscilla, or Prissy as I always called her, and I grew up together, her at one end of Cole Street and me at the other. I spent a lot of my growing up years at the Davis house. Prissy was always a very talented and gifted gal even when she was younger. I always knew she would have a lot of kids, because she loved children. There was never any doubt she would be a wonderful Mom. She was a beautiful person inside and outside. And believe you me I will treasure all my memories of her with a lot of love. I know all of you have many precious memories of Prissy. May those memories help you through this very difficult time. She will be so missed, but forever loved. May God Bless each one of you.
Love and Gods Blessings,
