“My Nina,

I will forever miss you! You were like a mother to me. You loved me unconditionally. I thank you for everything you have ever done for me. You took care of me and loved me to no end! I will forever cherish all the memories we had together. You will forever have a big piece of my heart. I know you are my angel now even though that is so hard to accept. I know you are making heaven brighter today like you did our lives for so long! I just want you to know I love you, and I will forever love you Nina! May you rest in love.

Love Audie”

“ I am truly sadden to hear of Rachel's passing. You always had a smile and a wave for everyone no matter where you saw them. May God be with each and everyone of you during this time and may the pain your feel in your hearts today be replaced with beautiful memories. Heaven has gained another Angel. Rest in peace.

“ *I am so saddened to hear about the loss of such beautiful woman. Every time I would see her and Vangie at the stores, Rachel would laugh and tell me about the story of me sitting on my porch, as a kid, throwing tongues at her.. (lol). She sure got a kick out of reminding me how ornery I was. Her joy and laughter was so contagious. Never did I see a frown on her face. She will be greatly missed.*
