“ From the Garcia Family especilally from my Dad John Garcia who knew, and worked with Ramon for many years. They were Transport Truck Driving Buddies hauling heavy equipment, and oversized loads. Both enjoyed truck driving loved the challenge of loading, tying down, and hauling these oversized loads up, and down steep hills especially snow packed, and icy. Ramon was a one of a kind guy my Dad shares memories of him, Ramon, and Leo Sanchez on their truck driving adventures. Our condolences to the Lara Family.

“ *My sincerest condolences to the Lara family. No words can fill the sense of loss at this time. I want the family to know that I love them and am thinking about them and praying for them . Mr. Lara was very blessed and lived a long and full life. He was blessed with a loving and supportive family. Indeed he was blessed and too was a great blessing to those who knew and loved him. He will be missed. At this time let us celebrate his life and the memories we have been blessed with. Let us always and forever keep in our hearts and minds the knowledge that we have the opportunity to see Mr. Lara again one day in God's kingdom of heaven. Rick Maner*

Rick,

Thank so much for the kind words. Our family has total love for you also. It is always very special when someone reaches out to let you know that between all the years and all the miles that a few words can bring us so very close together that we feel the abundance of love instantly in our hearts.

There have been many times dad would ask if we had seen or had spoken to you, and every time he asked, he would immediately follow it with "You know what"? Now that Rick is real good guy. " we always answered with, "that is so true, so very true dad"

You have and will continue to have the utmost respect from the Lara's. May our father God watch over and bless such an amazing person as you are.

Thank you old friend.

“ My condolences go out to all of the Lara family. Mr Lara, was a legend in his own time. I had very much love and respect for him as he was a very good friend of my Dad, Pete "Tejon". I always enjoyed talking to Mr Lara not only because of his personality and character, but also because he gave me a comfort in knowing more about my Dad who died in 1988. Mr Lara had a long life and touched many peoples lives. God Bless Him and Rest in Peace!
