“ *I knew Mona's mom, Stella Fleming before I knew Mona, I went to church with them for years at Central Assembly of God in Pasadena, Texas. Mona played the piano for my husband's funeral, she and her mom were very special to me, and I loved them very much, what wonderful memories I have of her and how she could play the piano. “ I've been praying for her for all these months and it is hard to believe that she is gone. I will miss her bright smile, cheerful voice and wonderful laugh over the phone and in person. She was truly a "gift" to all that were around her. I wish I would have known her for a longer amount of time but I'll see her when we all get up to heaven as the song goes.... Molly Cooper

“ I spoke with my cousin, Mona about 10 days before her home going. Her heart was thankful & joyful for a life of Godly favor. Our Lord blessed her with a great family, wonderful friends, a fulfilling career, and a fruitful ministry. She blessed ME as she rehearsed a lifetime of blessings and spoke of her excitement to see our Lord face to face as well as those we love that have gone before us. I love you, Mona. Your mom (Aunt Stella) told me she was going to save me a seat at the table...look into that for me, ok? I look forward to seeing you, Stella, Ralph, Daddy and many others again one day. Until then... Jeri Lee

“ Dear Friends,
I was so impressed with Mona's family. Tim, took an extended leave from his Job in California to come be with his mom and to help his sister. He was not just another mouth to feed but was a real help to Kim. I will never forget as Kim and John opened their home to Mona in her time of need. Even the children helped by allowing "Me-maw" to use their room and to take their "mommy's" attention during this special time in everyone's lives. A big thanks to Kim, John and Tim!!
Love to all, Cindy and Danny

“ *I remember jumping off the big, scary wall down into the Comal river
in New Braunsfels with my Aunt Mona when I was about 7 or so --
she was the only adult that would brave it with me. But that was a
loooong time ago! I remember in more recent days our
conversations out on the patio at Nana and Papo's house -- talking
about the Lord and how He had changed her life in recent years.
She will be missed....*

“ I remember Mona from the time she was born, especially the joy her mother Stella and father James Ralph had in her arrival. I recall her enthusiastic singing and skillfully playing hymns, her eyes sparkling and her face shining as she honored the Lord with her talent. She has made it through the valley we must all pass through, and forever with the Lord she loved. Aunt Elva Mae

“ I grew up with Kim and Tim in Cameron. Mona was like a 2nd mom during our high school years. Between Mona and my mom, Kim and I could never get anything over them. Mona always knew how to keep us in line even though back then we just thought she was being mean to us. I will always remember Mona in my prayers. Love always,

“ Mona came into our lives for only a little while before she passed away. She and I shared many significant experiences as well as times of just talking about the things that meant the most to us. Mona loved her family more than anything else on earth and wanted those she loved to know her Savior. Many people were lifted up in prayer because of Mona's desire to see everyone find the same peace she found in Jesus. I miss my friend very much.

“ My sis and I held several "revivals" when she was about 10 and I was about 6. She would bang out the songs on the piano with one finger, and I would stand on a chair behind our father's pulpit in the church to preach to all those sinners. It didn't matter that the church was empty ("I see those hands"), the church was our play-place. Ramona had a wonderful heart for others as was evidenced by her 43 years in the medical field, and her two trips to minister aid to those effected by hurricanes. I loved her dearly. ("Mona, say hello to Mom and Dad and tell them we'll all be together some day up there.") Your older brother of the two brothers. (the good looking one) ha.

“ As you all know Mona was my dearest friend. I'm glad to have shared her for a little while. I feel like through her I acquired a family. You all mean so much to me. With her I had a friend with unconditional love and respect. No judgement just someone to listen to and have someone listen to me. I will miss her forever. She was a grandmother to Elizabeth which she does not have. All she did was love her. Mona was so special to us.
