Hands of Time

If only for one split second I could reverse the hands of time
Not to change this life of mine
That's in my hands to do with
As the Lord has planned
For if things are not as I foresee
Them to be there's no one to blame but me
And when things come together like the stars
Glistening in the deep blue sky in mid July
Everyone wants the credit but why
It was me is that so hard to see?
If only for that one split second
Time was in my hands
As I said not to change this life of mine
But to spend that moment
Embracing my brothers in my arms
To say "Good bye my friends till we Meet again in heaven"
Your memories remain
Your bodies under ground
Your souls in the heavens above
From your brother
With all my love
