“ Most of my good memories from high school and the youth group involve Ray in some fashion. The years weren't good to our friendship but I trust I will see you again my friend.

“ *Raymond was my friend for over half my life. He will be missed. When I think of Ray the first memory that comes to mind is seeing him walk toward me with a cigarette in his mouth, fishing pole in one hand, and insulated drink container in the other, he would say "How'd you do" already knowing he had out-fished me.*
