Last night while I was trying to sleep, Rebecca's voice I did hear. I opened my eyes and looked around, but she did not appear. She said you've got to listen; you've got to understand. God didn't take me from you, he only took my hand. When I called out in pain The instant that I died, he reached down and pulled me to his side. He pulled me up and saved me from misery and pain. My body was hurt so badly inside I could never be the same My search is really over now, I've found happiness within. All the answers to my empty dreams and all that might have been. I love you all and miss you so, and I'll always be nearby. My body's gone forever, but my spirit will never die ! And so, you must all go on now, live one day at a time. Just understand, God did not take me from you, He only took my hand.
