“ *My heart is saddened and the world darker on hearing of your passing. From the moment we met you became one of my dearest and trusted friends. I can't believe you've gone, I cry for myself because I am missing you, but also in joy that you are at peace. I pray Jesus to take you in his loving arms and hug you for me. My darling friend, I will miss you and your wit and wisdom and I will treasure you always in my heart. Goodbye my Yellow Rose.

“ *So sorry to hear of Renee's passing. I remember her as a sweet child and while we didn't see her and her sister much, all the cousins looked forward their visits. Much sympathy to you all.
