Crossing Over

Oh, please don't feel guilty

It was just my time to go.

I see you are feeling sad,

And the tears just seem to flow.

We all come to earth for our lifetime,

And for some it's not many years

I don't want you to keep crying

You are shedding so many tears.

I haven't really left you

Even though it may seem so.

I have just gone to my heavenly home,

And I'm closer to you than you know.

Just believe that when you say my name,  
I'm standing next to you,  
I know you long to see me,  
But there's nothing I can do.  
I'll still send you messages  
And hope you understand,  
That when your time comes to "cross over,"  
I'll be there to take your hand.

“ *In life we are blessed to have shared memories with those we love. I have many but the greatest of all is the connection we had with our Lord and Savior Jesus Christ. The conversations, the prayers the faith. My Grandma is the example for all to follow. She loved the Lord with all heart! And for me that is the greatest gift we can have to share and to offer as we pass through this world! God is good! For it is love that can heal our world and it is written that we to shall love our neighbor. It is also said that our body tired and riddled may be broken but it is the Spirit that live on because in faith and in love she shall live forever! She dwells in my heart and For 53 years has been in my life but when I too leave this world we will join and the seeds we planted will continue to grow that has already happened through my children. Grandma we have laid you to rest but and I'll be talking to you time from time I know you'll call upon me. I look forward to seeing you at the gates when I too will make that journey. I was blessed to have had you in my life And God chose you to be my Grandma.*

“ *Grandma Rey, I remember driving out and spending vacations at your house, and you coming to visit us. My mom would tell me every time we talked how you were doing and how you would always ask for me. I hope you are no longer suffering, and have reunited with Grandpa and Uncle Raymond.*

“ *Reynalda was one of the most beautiful people I have had the pleasure and blessing of knowing. She was so fun to be around and lit up any room she walked into with that beautiful smile and infectious laugh of hers. She had such a beautiful heart and always had a special way of being positive in all things. She was so beautiful inside and out! She never met a stranger. She unofficially adopted me as her daughter/granddaughter. I embraced the honor of her putting me in that special place in her heart. I always looked forward to seeing or hearing from her. I loved and cared for her so much! She will always hold a special place in my heart and I will miss her so much! May Jesus receive her into his loving arms and beautiful kingdom! Reynalda, there will never be anyone like you! I love you and look forward to seeing you again some day <3.*

“ When I first called and spoke to Reynalda I was completely taken back. I told her who I was and I was her sister Betty’s granddaughter. She said who? Kristen?! And her voice sounded JUST like my grandma’s who’s voice I haven’t heard in years. I spoke to her about her and my grandmas lives, about growing up, and about their parents. I had plans to go to Roswell to meet her. And then found out I was pregnant and then covid. I know my grandma is holding her big sister tight right now. May God bless her soul and let her rest in the sleep of peace. May God bless her family and friends.

“ I remember how very kind and sweet you were to me always. I remember the first day my mom was at Casa Maria I walked in and you were there, seeing you filled my heart with such joy and relief that my mom, your sister, had you by her side. I am so very thankful to have had you as my godmother and I wished very much that I had got to spend more time with you. I know that you are up in heaven with your sisters, give my mom a hug for me and we shall all meet again one day!

“ *My beautiful mother. I was so lucky to have her for my mother. We enjoyed spending time together especially going to mass in Roswell on the weekends during summer when I would go spend a month with her. I'll never forget her beautiful voice as she sang loudly in church. Jesus came and took her to the kingdom of heaven yesterday. She will live in my heart forever. I miss talking to you Mom RIP💕💕*

“ My mother was a kind hearted women that wanted to help everyone she met during her journey on earth! She raised 5 beautiful children and cared for them all till the end! She retired with the Roswell Independent School District in food services! When children didn't have money for lunch she would not let them go without eating! She prayed the Rosary on a daily basis and cherished her relationship with the lord till she passed! Jesus Christ has gained another Angel in heaven. You will be missed mother but yer work is done on earth! Love you mom RIP! Yer son Rick 8/13/2020
