“ I miss you daddy but I know you’re playing the piano and praising God in Heaven!! I thank God that he gave me such a great example of how to be a dad and a man of God!

One of the many memories I have is growing up playing basketball with you and my Tio’s at grandma and grandpa’s house. Your fade-away shot was your trademark and no one could stop it! Anywhere you played ball no one could stop it! Even to this day people that played b-ball with you talk about it! I don’t know if there’s a b-ball court in heaven but if there is I know you’re bustin that net 😊!
