

Richard Lloyd Mazac

July 18, 1964 - January 29, 2023

In loving memory of Richard (Jamie) Mazac, who took his “last ride” on Sunday January 29, 2023. Please leave a nice kind or message for Richard’s family at www.andersonbethany.com.

Richard was a sincere man in his “love of god”. He was kind, loyal, a great friend, a wonderful employee, and a great brother. He had a hard life and he had struggled to find his way.

He leaves behind many people who will miss and love him deeply. His brothers: Bob and wife Retha and Steve and wife Candy; sisters: Elaine and Jainie; two friends: John Riley and Mike Jennings who loved him like a brother; His family in Texas; his son who did not know him; his other son, Tyler Mazac, who knew him and loved him deeply; and nephews.

A special thanks to Karen Sanders.

He will always be loved, cherished, and never forgotten. Until we meet again.

R.I.P.

Do not cry for me,

I did not die...

I am the soft wind,

That blows through your hair,

If it's a quite rain

Or a bright sunshine day

I am there.

Your loving wife, friends, and companion.

Into the "eternal"

"Life is precious-

Life is sweet-

Like the ground-

beneath my feet."
