“ Dickie T, I don't even know where to begin. So many, many memories, good memories, we joked, we argued, we laughed, we cried, we smoked, we drank, we rode, we cooked, we cruised, we sang out of tune, this is just so unbelievable, it's just so hard to soak in. You will never be forgotten, my Cunado. May you Rest In Peace. May our good God wrap His ever so loving arms around each family member to give us all strength and comfort. Your smile, your laughter will never be forgotten. Vaya con Dios, Amor!! :(

Primo you will be missed by many of us .. you were such a great father to your sons and stepson and daughter .. you were a great grandpa to your grandchildren .. now you can rest in peace .. no pain .. now you will be with your twin brother and mom and dad and everyone else .. in heaven .. Always remember that you were always thought of .. the night you died I had a dream about my 1967 Chevy Caprice .. I remember you had one first .. you were cruising with my brother Carlos, was the driver and you were passenger, Tony B, Tomas B and Sammy were in the back .. that car was so beautiful .. you all were in stilo .. it really look like your old '67 .. Good memories at the Brady house on Chisum Street .. Back in the days .. RIP ..
