“ *Richard gave me my favorite cookbook and I think of him everyone I use it! He was a big part of my life when my family was far away. Thank you to the Tempero family for all the fond memories. Richard will be missed.*

We got to meet the Tempero family very early in our lives! Got to see the children all grow up right in Roswell! We love this family and Dick was an awesome dad! Never forget him!

I will miss my generous friend very much. No longer can we share our interest in computers and in other technical disciplines. I will no longer hear Dick's discourses on the ideal way to season and otherwise prepare delicious food.

Sharon will miss her frequent telephone conversations with her friend, Richard.
