“ *My condolences go out to all of the family. Wolfie (I dare not call him Ricky LOL) was a hell of a cousin, always interesting to talk to and loved all of his family very much. Never did he say no to any help if needed. Most recently he showed out in helping us bury my brother, Jerry, and sister, Virgie. He lived his life as he wanted to and took on all challenges in front of him... and was proud of it. Still too young to leave us, but he is now resting in God's Hands! Never to be forgotten, Wolfie. Rest in Peace Primo! Much Love!*

“ *Ricky is my brother who has a very big heart . He helped people whenever he seen they needed it. He also loved to drink and listen to peoples stories about anything. He believed in God and have so much love for his son and nieces and nephews. You will be missed brother more than you will ever know.*
