“ *To My Most Favorite Uncle,  
From your most hillybilly niece Amy. I will never forget your laugh and smile. Your smile had such healing affects for all others that were hurting even when you were hurting. Your love was always unconditional and that is something I will never forget. My ability to be ok with your physical death is that you are with the absolute love of your life Diana, GOD rest her soul and with Gram and Papa Jewel. You now can be happy to your hearts desire. And for those of us that are still here on earth just smile and laugh, we will hear and feel you. I love you always!!!! Amy*

“ *My Beloved Brother:  
I will miss you more than you will know. I will miss your laughter the most. I will always hear your voice and feel you near me.  
I am so at peace knowing that you are with Diana, Mom and Dad. That is where you have wanted to be for so very long. I know that you are happy now.  
My heart hurts so very much. I love you more than you will ever know.  
I hope you know that this little stunt has made so many remember you and the joy that you have brought to so many lives. You have touched so many and you will continue to live on thru them.  
Your loving sister,

“ *T.C, Rusty, Kimmy and Little Ricky: I am at a lost for words, I sure wished me and my mom could be there. I remember playing football with Uncle Ricky and Lizzy, I think all of us girls had a crush on him. I know I did. Life is way to short so love one another and don't hold any grudges, be there for one another like Jesus was for us. Love Gayla Sue, Beth and family*
