“ He was a beautiful soul only lent to us for a short time! Thank you for those beautiful days and Thank you for the gift of you. I'm blessed he came into my life and shared a part of him with me. I still can't believe this is happening or make sense of it at least now he can feel no pain and have peace. But I know one day we will meet again He was an awesome guy and even though it was short I do cherish the short time we did share it was amazing! I'm grateful for the chance even a short while to have know him!

“ *My heart is breaking for the Archuleta and Duran families. I have so many fond memories that I couldn't possibly single one out. He always had a smile in his face and no matter how bad of a day you were having he could make you smile too. He was loved and will be missed greatly by many. He will live on in our hearts and memories and will watch us all from above. Lord please be with these families and give them the strength to get thru this loss they have suffered.*
