“ Robert's Family - Robert was so much fun to be around, and always made us laugh. I am very thankful that I got the chance to meet him. He did many things to help my dad out around my house, cutting the grass or just keeping my dad company, and I am very grateful for that, along with all of his craziness and laughter. I will miss going to my parents house and not seeing him sitting in the garage, or on the side of the house hanging out with my dad. We find comfort in knowing that no matter how much we will miss him, he is in a better place with no more suffering, and no more illness. God Bless You!

“ For those of us that were lucky enough to have been touched by Robert's friendship we all know what kind of guy he was, true, thoughtful, caring and even a little crazy sometimes. He showed each of us how to have a zest for life even when he struggled with his own health. He will be truly missed but thank him for the cherished memories we have that allows us to keep him in our hearts. Rest our friend.
