“ *Dear Pauline, Ron and I send our condolences to you and your family. Bob was a special classmate at East High School and our friendship has continued on for many years. Memories were preserved at our class reunions because of his expert camera work as classmates arrived.*

We will miss him but will hold his memory forever in our hearts. Please know that we welcome any visits from you when you are traveling to New York. Love, Mary Alt

“ *Pauline,
We were saddened to hear of Bob's passing. We will always remember the outstanding leadership he gave to the First Baptist Church of Fairport, especially with the Fellowship Club and the Men's Club. We had many good times together over the years. He had a profound and lasting impact on all the lives that he touched, including ours. We will continue to keep you and your family in prayer.*

“ My condolences disappeared. I will try again: My heart is broken for Bob's family and friends. I thank God for Pauline's and his visit in the past year. We chuckled at breakfast time over how many pills we each took these days. I always thought Bob would "be there" for he was so great at keeping in touch. From age 7 till now I've valued his goodness, fairness, kindness, & Christian friendship. He had permission to throw snowballs (gently) at me anytime! I was jealous that he got Manual Training and girls had to take Home Ec. in 7th grade. We took piano lessons together and worked at Winmer Sweet Shop during high school. I'll miss him so much. Pauline and kids: I'm so sorry. I thank God for making Bob's demise quick, as shocking as that can be. Be patient with yourselves and do grieve for as long as it takes. It doesn't help to stifle any sincere human emotions. Love to all.

“ Pauline, I think we might have met at a East H.S. reunion a few years ago. Dale Clark told me about Bob's death. I was so glad to see he was still active in the Presbyterian Church. We use to go to youth fellowship together with Dale. Played baseball in the open fields near our homes. Bob was always a gentleman and always smiling. I am proud to have known him during our youth Bless you and your family. Izzie

“ Aunt Pauline, Gregg, and Debbie: May the Lord help ease your sorrow at Uncle Bob's sudden death. We love you all so very much. We did not hear back on a funeral date-time-place. Just found this on google search late Thursday night... D wanted to drive me to NM if funeral was there. If funeral was in NY we could not come. We stil do not know where Westminster Presbyterian Church is! No city no state. I called Mom, she had no info. Are you burying Uncle Bob in White Haven Cem w both families? Love & hugs to you. xxxooo

“ Pauline: I found out about Bob's death from John Hellems on 5/27. Evelyn and I are so saddened by his passing. We extend our heartfelt sympathy to you and your family. Bob Blossom was the best friend I ever had. We went to school, played and worked together from 2nd grade through high school. Bob had a great sense of humor, was smart, dedicated to his family, loyal to his friends, compassionate, and a supporter of anyone who was disadvantaged. We joined the same high school fraternity. In later years we traveled to stay at each other's homes, joined in high school reunions and stayed in touch via the internet. Goodbye my friend.
