“ We r so sorry for the loss of this great guy. We will always be grateful of him. He will always have a spot in our heart. He did something that our family will always remember him by. On January 9, 2017 he was driving by my moms house after school with a couple of friends and he stop to check on my step dad as he laid outside the front door of my moms house. They stopped called 911 and waited for family to arrive. Sadly to say we lost our step dad that afternoon. A few days later Robert and the other two kids stopped by with flowers to give their condolences to our family. We will have u l'm out hearts forever Robert. Thank u and may u Rest In Peace. Words just can not express how appreciative we are of ur kindness.
