The years have passed .Not a moment been the save ..your brothers life was taken as well. There's been no moments of any love peace happiness . I lost my mind for whole moment in time . While trying find a price of me everything else of me faded with time . I've grown to see the world and all of it in ways I can't describe. I try to find a price of love or emotions in anyone anything but I can't look past the emptiness . I've chased the idea of you and your brother but only shatter my own wounds that were put together but never healed . My time is limited in life.. My days are wasted with not a moment nor memory to fill... The thoughts of you boys takes my breath and are thoughts I can't bare ..A short time after your leaving I met fate by my own hands God sent me back to your brothers and to finish a journey in life .my journey keeps me walking sitting alone the damages have taken it's toll. Burdons I've hold and become . I know we'll find each other again , waiting is what life's been . I'm here loving missing you and baby J through the moments throughout my day . Every night that passes one more day that brings us closer together . May God keep a hold of you both , until it's my turn to hold you both once more ...

“ my boo i havent an idea how long its been. For the first time i wouldnt let you fallow me.I wanted so bad to show you I could still do things like a mother even though, i was so screwed up. I want to accomplish something so you all would be happy and beleive in me again.I wanted all the makeing fun of me the put downs you and your brothers not to be imbarressed of me no more..The biggest mistake was making you go back to have my family help you take care of things. If knew that was our last hug and kiss my love ,id had you beside me..Im glad you arent suffering over these disrespectful ,awful people. My heart shatters over and over. The suffering me your brothers have endured amongst all we know and family i dont know how we survive..when i was told how low of a mother i was im the one that got you killed, its broke me every moment of everyday. Id gi e my last breath so you could live again. Im still not the same, Your brothers miss you so much. Everyone hides all plays games and are full of greed none of your wishes were respected thats what hurt s the most. your brother cruiz been through hell back looking after me.no matter what he holds inside he tries. Your son i seen couple times but failed you when all turned , i failed all of you. Theres not one moment i dont pay for it. I hate that people wont let me be happy of your thought they make sure anger is built.so you dont rest in peace. as messed up that anger keeps me alive for your brothers. all i know the pain emtyness so great it takes my breath. The thoughts shatters everything with in me. Since you been gone there is no family left. I know soon in time i will stand with you I will see your smile ,i will hold you again. your brothers will have 2 great angels to guide protect them. I hate how they all turned and broke and tore us apart but alone weve have walked through all that they done to us. For u we keep holding on..I love my son I miss you. I wish god would remove these people that cause so much more for us. its sad not one person will honor your wishes nor respect what you loved most. Im glad you do not have to be here amongst what hell we are in..Its hard enough to see your brothers suffer..my heart would not be able to have you with them.just stay watching over them.send someone to remove the ones who should not be...until we meet again i will live for the moment it will be.

“ *Went to visit your grave yesterday and i talked to you for a few minutes alone. I miss you... i miss your smile and your voice. It tears me up just typing this and it tears me up what we saw at the cemetery but we will take care of you, don't worry. You took care of us when we needed it. You were there for us, caused us lots of heart aches and headaches but always there laughing, smiling and being cute. You will always have a part of my heart Eric. I have our old texts and messages of apologies when we went a long period without talking and i went thru them last night. I do forgive you. i really do. I told i never would but i do and im glad your still my friend. Its sad to know you won't be saying i love you sissy anymore... We have definately had our ups and downs but i miss you so much. I love you Bubba.. i will do what i can to help you now. Love your sissy, Belle. <3 :(*

“ Words cannot express the sorrow that I feel for you. No parent should ever have to lose a child. Our loving Creator knows how hard this is on you. We are told at Ezekiel 18:22 “for I do not take any delight in the death of someone dying, is the utterance of the Sovereign Lord .” As you can see, He does not like death anymore than we do. It is not his will for us to die which is why He has given us the hope of everlasting life! (Psalms 37:9-11, 29; Rev. 21:3, 4). As the God and Father of tender mercies, He wants you to find comfort in Him through prayer (2Cor 1:3).
