There's a place where I travel when I want to roam, and nobody knows it but me. The roads don't go there and the signs stay home, and nobody knows it

but me. It's far away and way way afar, it's over the moon and the sea. And whenever you're going that's wherever you are, and nobody knows it but me.

“ Jesus said: *I am the way, the truth and the life, no one comes to the father except through me. I go to prepare a place for you and I will come again for for you; for where I am, there you might be also. John 14. Jesus learned to walk among us so that we might learn to walk with God. Your loved one is now singing praises to God. Our prayers are for God to send comfort and peace to you at this difficult time.*

“ *We can never be seperated from those we love because God leaves us with memories to hold and love that doesn't pass away. And in time we realize that our loved one lives on, not only in heaven but within our hearts. Janis and Family, I was just thinking of Grizz on Monday, telling another biker friend about my friend Grizz. It has been 20 years since I have been in Roswell but my heart has stayed there. With sympathy and love. Casey Goldman 907-868-3971*
