“ *I can't believe what I just read...Robert?!!! I think that y'all know where I'm coming from. Man, Robert was such a good friend to me. We had quite a past with many many good memories. I don't know what happened, but I am really sorry to hear that he has now gone on... Robert was always there if I needed anything; always willing to help. We shared many laughs together, and although we went on with our lives, we were both glad to see each other when we did and talk about everything, you know. I miss you already my bro... God Bless the family!!*

“ *Chris and Jennifer - I was so sad to read of the passing of your Dad. Robert was one of the people I sincerely enjoyed working with for many years in Central Receiving and the Maintenance Department. He always was a joy to be around, and made life a little easier for others. May god give you all strength during this difficult time.*
