“ *Dear Lujan Family,
We felt very close to Robert. When he was about 10 yrs. old he would hang out at my parents grocery store. (Fat's)
My dad was very attached to him and would have him help him around the store and on Sundays would go help him at home.
Robert would even go with us to pick pinon in the mountains.
He continued to go to the store and check up on our mother.
Our thoughts and prayers are with Robert and his family.*
