“ To Aunt Barbara and the kids and grandkids. I am thinking of y'all during this sad time. I will be praying for peace and comfort for the family. I will miss his mischievous giggle and big heart! He thought he was so tough but was really a big teddy bear❤️ I have many memories with my Uncle Robert. He fondly referred to me as Olive Oyl. He actually had a nickname for everyone. I will miss you everyday💙. Until we meet again, I love you and I'm thankful for your love❤️

“ Robert was an amazing man. He was kind, generous, hilarious and loved to tell stories. He loved his family with his whole heart and anyone who knew him was lucky to have him in their life. I will forever be grateful that when I came into this family, I was blessed to be one of the people he loved. He was the best grandpa and I'm so glad that he was my kids'. We are all gonna miss him so much, but will cherish all the memories we have. We love you Robert.

“ What a wild ride we have had Robert, crazy days growing up together and the fun we had. I remember when we filled grandad's water tank up with dirt :) and how you always put your hand up to your nose and snickered when you thought you had said something funny. You will be greatly missed. Rest in Heaven Robert, and tell my loved ones I love them.
