“ *I knew Bob for 27 years and we kept in touch for the most part. I appreciated his friendship in so many different ways. I will truly miss his voice and texts we shared back and forth through the years. I wish I could have been able to attend his service. My daughter and I prayed for him so much during his illness and I just wanted the family to know how much I cared for him. Robert Keith Pierce will remain in all our hearts!!!*

“ Bob was a fantastic friend to me and anyone who came in contact with him. His attitude through all of his trials and tribulations amazed me. Even when I knew things weren't great with his health, he never looked for sympathy. I will miss my annual Mule Deer Hunt with him, but will relish all the great times I was able to share with him.

“ Today is a very sad day for all of us. With heavy heart our thoughts and prayers are with the Piece family and countless friends of Bob... Bob's passing is one more chapter in all of our lives that came much too early. As we all know his tough fight is over and he is at rest. I could write a novel on all the memories and times we all spent with Bob throughout our lives that will never fade from our memories. May God bless you on the next chapter of your life Bob! I will miss you more that you will ever know!

“ God saw he was getting tired and a cure was not to be, so He put His arms around him and whispered “Come with me.” With tearful eyes we watched him suffer and saw him fade away. Although we loved him dearly we could not make him stay. A golden heart stopped beating, hard-working hands to rest. God broke our hearts to prove to us he only takes the best.— Author Unknown
You can bet Hi Pro is in heaven looking down on his hunting buddies with a big smile on his face. He is seeing the biggest elk and white tail that any hunter has seen.
We will surely miss him.
