“ *Well Papa Bud I sure am going to MISS YOU! You have been part of my day for so many years now, I don't know what I am going to do with myself. I sure am going to miss my daily visits with you, but may you rest in peace. I am sure Mrs. Clem was waiting for you in heaven; so you can walk hand in hand in eternal life. I have such fond memories of you and Mrs. Clem. Keep watching over me as you always have, so until we meet again. "LOVE YOU AND WILL MISS YOU PAPA BUD!" Carol R.*
