In Loving Memory of Grandma

Grandma, your love was warm and bright,
A guiding star, a gentle light.
With open arms and heart so true,
You filled our days with love we knew.

Your laughter echoed, soft and sweet,
A melody we long to keep.
Through every hug, through every smile,
You made our lives so worthwhile.

The hands that held, the words so kind,
A love like yours is hard to find.
You taught us strength, you taught us grace,
With wisdom shining on your face.

Though now you've gained your angel's wings,
Your love remains in everything.
In morning sun and evening breeze,
In whispered prayers and rustling leaves.

So rest, dear Grandma, free from pain,
Your love will always still remain.
In hearts you touched, in lives you blessed,
Forever loved, forever missed.
