“ *Aunt Bobbie, I'm sorry I didn't get to say goodbye to you. Living in OK took me away from the family dynamics. You're in my heart. I have many good memories of times we had together, mostly when I was growing up and you and Gwenda were watching Cathy and I. We teased you a lot!
It was also convenient for me when you lived in the apt behind our house in town while you were going to beauty school. I had good times with you. Always in my memory.*

“ *Michelle and Amber; I am so sorry for your loss. Your mother was always very sweet. I remember visiting as a small girl and she always took the time to listen to us children even if she was busy. Mothers are special people in our lives and I am sure you will miss her but remember you will always carry her in your heart. Her love will be with you always. As you go through life draw on this love she gave you and you will never go wrong. May Aunt Bobby rest in peace. Love always, Kerry Waldron Dyer*

Bobby brought a plant that was a trim off a plant at her Mom's place. When we planted it and gave it name Ara. Its still growing. My bothers and sisters and I want to send our thoughts and prayers.
