“ *My dear sweet Sydney, I am so sorry for the loss of your Robert. I have never seen you happier than when you talked about him. Every time I talked to you after you started dating I would ask "are you still in love"? Your eyes sparkled, you smiled so big and answered in a little sweet voice, yes I am! I only knew Robert through you and seeing how he filled your life with joy and the love you deserved to have, I know what an amazing man he had to be. It's just not fair that he is gone way too soon. My deepest sympathies to you and his family. Angie Mayo*
