

Ronald Higgins III

August 30, 2004 - October 1, 2025

In loving memory of Ronald James Higgins III (RJ) who soared to new heights on October 1st, 2025. Born on August 30th, 2004. RJ was a dreamer and adventurer. All he ever wanted in life was to be an engineer and for his family to be together without the fighting and drama. He was a great son, brother, father, grandson, cousin, and friend. RJ's favorite color was purple, purple carries red's intensity and blue's calm. His hobbies were either playing cards mostly spades or playing darts while listening to Mexican music and rapping every word with passion. In our hearts forever, even though we are apart your spirit lives within all of us, forever in our hearts. Your laughter, your kindness, your love, will never fade. RJ your spirit lives on through your father Ronald Higgins the II, his mother, Helen Higgins, through his younger sisters, Carol Cox, and Pamela Higgins (Angel), his brother in law, Jeremiah Skinner but most importantly through his mini him, his son, Niall Alexander Higgins. Your life was a blessing, your memory a treasure, you were loved beyond words and missed beyond measure. His song has ended but the melody lingers on. It's hard to believe you're gone. The world seems quieter now but we all know your energy and your light will never die. To live in our heart we leave behind is not to die, rest in peace, and fly high above for you are our guardian angel now and forever. We all will love and cherish your memories you left with us always and forever. As we mourn you being gone we'll see you on the other side as this isn't our last goodbye we will see you when it's our time to go. Love you RJ fly away protecting us all, our guardian angel.

This tribute was lovingly written by his sister, Mom, Pamela Higgins (Angel), and Helen Higgins.

“ I remember the first time you saw me, the look in you're eyes and the way you tried so hard to ignore my presence! a couple days later I go to Steve's and hang out in the shed with him, little did i know you'd be there, you ended up getting yelled at by you're dad because the door was shut and you were in there with us. you went off, i got in front of you and told you to walk it off, that he was you're father that you needed to calm down.. If I would've known what was going to happen between us trust me honey i would've never ever let you go, me and Niall love you, rest easy baby
