“ Randy...I was sorry to hear about your dads passing. My condolences go out to you and your family.
I always respected your dad, he was a straight shooter..he was a good man and i'm sure he's left a large hole in his families hearts and I'm sorry about that.
Although I'm sure he hated to leave his family behind,please remember that he's in a better place now and the cares and physical pains of this world are no longer troubling him.
I have faith that you will see him again someday.
