“ *Hello to Ronnie's family. My name is Polly (Montgomery) Hartman. I went to school*

with Ronnie at South/Yucca Jr. High and at Roswell High. In fact, I had what was probably my first date, with him! We went to the Freshman dance at Yucca together.

I do have a picture of us, I know, but will have to figure out where it is!

I have lived back in Roswell for years but did not realize that he lived here. I don't know

when I last saw him. I see his picture in our RHS sophomore annual but know he was

not in the graduating class. I see that he went to Vietnam and wonder if he joined the

army early. I am sorry that I did not see about his passing away in time to come for the service at the graveside. I am sorry for your family's loss of Ronnie.

I also see that one of his sisters, Gloria, lives here. If you would call me,

when you are able, I would be glad to know more about Ronnie's history. I help with

our class reunion every 10 years and even though he did not graduate with us at RHS,

he was part of the class. I would like to let the class know about him, if that is alright with

his family. My email is pollyhartman@gmail.com and phone is 623-6958. Thank you!
