“ *May Ruben lie in peace, he was a good man and my friend. I will always remember how good he was with people. He always had a good attitude, and always respected others. I had the chance to play softball with him in our younger years. Although we lost track of each other over the years he was never forgotten. God Bless Ruben, and my condolences go out to Dara and his family.*

“ *My condolences goes out to my 'ol friend's family. As life goes on, we lose touch with many friends that we grew up with, an it had been quite awhile that I had seen Ruben. I have nothing but good memories of Ruben...he was of good character back in the day, and it sounds like he still carried those qualities into the rest of his life. Quite a family Ruben leaves behind. God Bless and Rest in Peace.*
