“ *I would first like to say thank you to the family of Mrs. Lewis for their gratitude towards me and my partners and the care we gave to her, it was a true blessing to do so. In the few months that i got to know the Lewis family we became close, i just sort of took to each of them. i was givin the pleasure of caring for both Mr and Mrs Lewis with their caring, wonderful daughter mrs pitman right by there side everyday. i loved how much this family loves eachother. a fine husband for a beautifull lady Mr. Pitman would wake up, get dressed and even make his bed all before breakfast just to head on down to see his gall everyday all day. they had so much love for one another that it was cute. Mrs lewis thought i was the best at showers and i loved her little voice she was a verry kind person who really taught me some things without either of us even realizing. i hope you all know how much ive enjoyed meeting you and to Mrs Ruth Lewis Rest in Paradise beauty queen and God bless you all
