“ The day she "went home" as my mama always said, on my way home there was a rainbow in the sky. Now the rainbow meant God would not flood the world again, but it also had another meaning. It was "A New Beginning", which she now truly has without any physical ailments. I am so glad she had that day with us in Ruidoso.

“ My sympathy goes out to you for the loss of your mother. Ruth was a very nice woman with a heart of gold. She is at peace now, and for that I am happy for her.
